          468      2    The Bible is the word of God but not everything in it
                        should be taken literally, word for word.
          355      3    The Bible is a book written by men and is not the word
                        of God.
